Confidentiality Agreement and Consent to Treat Form

Naturopathic medicine is the treatment and prevention of diseases by natural means. Naturopathic doctors (NDs) assess the whole person, taking into consideration physical, mental, emotional and spiritual aspects of the individual. Gentle, non-invasive techniques are used in order to stimulate the body's inherent healing capacity. Your Naturopathic Doctor will take a thorough case history and conduct a screening physical examination. This may include a breast exam, gynaecological, rectal, prostate, and blood and urine samples as required. Treatment may involve such interventions as Botanical Medicine, Traditional Chinese Medicine, Bony manipulations, Massage, Hydrotherapy, Nutrition, Lifestyle Counselling, Psychological counselling, and Homeopathy.

I understand that I must inform the Naturopathic Doctor immediately of any disease process that I may be suffering from, if I am on any medication or over the counter drugs, if I am pregnant, suspect I may be pregnant or am breast-feeding.

I understand that my identity will be protected at all times and, if necessary, identifying information will be altered to protect my privacy. I understand that a record will be kept of the health services provided to me. This record will be kept confidential and will not be released to others unless so directed by myself or unless law requires it. I understand that the physicians at this clinic are legally obligated to supersede confidentiality if they become aware of current child abuse or neglect, threats to harm or kill another individual and serious threat of suicide involved with my case. I understand that I may look at my medical record at anytime and can request a copy of it by paying the appropriate fee. I understand that information from my medical record may be analyzed for research purposes and that my identity will be protected and kept confidential.

I understand that fees are payable at the time of appointment; including fees for services, prescriptions, and laboratory tests.

I understand that 24 hours notice is required for appointment cancellation; otherwise I will be responsible for the cancellation fee.

I understand that the results are not guaranteed. I do not expect the Naturopathic Doctor will be able to anticipate and explain all risks and complications. With this knowledge, I voluntarily consent to diagnostic and therapeutic procedures mentioned above.

I intend this consent form to cover the entire course of treatment with this Naturopathic Doctor. I understand that I am free to withdraw my consent and to discontinue participation in these procedures at any time.
